

Reformational Biblical *Justification Sanctification and Assurance*

Justification

Imputed righteousness
Declared righteous

Distinct but
not separate

Sanctification

By Grace alone through faith
alone in Christ alone
Repentance issues from faith
Simul iustus et peccator

The essential fruit
of justification

Assurance is a fruit of saving faith based on the object of faith:
Jesus Christ the Righteous
Works are an *a posteriori* witness to justification

God is Sovereign in the moment of justification
and in the process of sanctification
